

Option 1:

ShareLife Needs You!

Next to the Pastor, ShareLife volunteers are the single most important element for a dynamic and successful ShareLife parish campaign. In recent years, we have seen volunteer ShareLife committees bring an energetic and winning attitude to their parish campaigns.

For the 2019 ShareLife campaign, we are encouraging all parishes to consider developing a ShareLife committee. Being on a committee requires minimal investment of time during the active ShareLife season between January to July. Please consider this opportunity to be a part of something meaningful to those who are less fortunate than us. As a Catholic community, ShareLife is our way of Living the Gospel. Further information on ShareLife and the role of volunteers can be found at www.sharelife.org/volunteer. To access our ShareLife volunteer registration page, go to www.surveymonkey.com/r/ShareLife. Also please feel free to contact Mariana Garcia at mgarcia@archtoronto.org for further information on the role and how to register.

Option 2:

Live the Gospel as a ShareLife Volunteer!

Over the last 3 years, the ShareLife office has had the privilege of collaborating with several parishes in a support capacity to optimize the performance of the ShareLife campaign within each parish. This effort has proven to be very successful.

A key part of that success has been the recruitment of ShareLife committees to work with both the pastor and the ShareLife Campaign Officers during the active collection season between January and July. For the 2019 ShareLife campaign, we are encouraging all parishes to consider developing a ShareLife volunteer committee to work with the ShareLife office under the guidance of the parish pastor. Volunteers are critical to the life of the Church. ShareLife is the way we are encouraged to Live the Gospel by providing for those in need.
